KITCHENS & BEDROOMS

## KITCHEN COLLECTION

## KITCHENS FOR EVERYONE

Your home is as unique as you are; Your tastes and character reflected in each colour and texture you choose; Trust in us to design a space you will instantly fall in love with, want to live in and create something truly special.

Our team of expert designers will implement the style and functionality required. Together with your designer you will begin to plan your dream space and products.

We're passionate and dedicated to offering a huge range of styles and finishes to complete your perfect space.

## DESIGNED AND MANUFACTURED BY US

Exorna combines traditional cabinet making with the best of modern technology. Our manufacturing facility is right behind our showroom, allowing us to deliver superior quality, greater choice and excellent value for our customers.

We are one of Ireland's largest kitchen carcass manufacturers, established in 1980 we are trusted by customers in UK, Ireland and Europe to supply their dream kitchen. Our kitchens are designed to suit all budgets.

## BUYING WITH US

### BOOK YOUR FREE DESIGN CONSULTATION

Book your free design consultation appointment at [Exorna.co.uk](http://Exorna.co.uk) or via our showroom. Together with our expert designers we will find what will work best for you

### CHOOSE YOUR KITCHEN & OR UTILITY

With a wide range of designs to choose from and bespoke opportunities we will have a style that will suit everyone. We will do a survey of your home to take accurate measurements before bringing your design to life with a 3D plan.

### INSTALLATION

We only employ local and trusted craftsmen to do the job. Fully trained and insured, our fitters work carefully and cleanly to minimise disruption to your home. Polite, tidy and courteous, they take real pride in their work and are just as determined to give you a kitchen finished to the highest standards possible.

## DISCOVER YOUR STYLE

With so much choice, selecting your style of door is a great way of starting your project off. We can offer a range of modern handleless doors, shaker style doors and in-frame designs
